

Hello, I'm [Designer Name], a Graphic Designer from [geographic region]. I use [a few skills] to [some version of problem solving].

Hello, I'm [Designer Name],
a recent graduate of
[college/university, if
applicable] with a
[degree/certificate if
applicable] currently in
[geographic region].

While working at [internship, if applicable], I was able to learn [skills, tools, etc.]. I've studied [branding identity, typography, color theory, etc.], and was able to apply these skills to projects for [client/internship projects, class assignments, freelance projects, etc.].

When I'm not designing, I like to [a couple innocuous hobbies or interests].

I'm currently looking for my first full time design role and would appreciate learning about any available opportunities.
